

13th European Nutrition Conference

*Malnutrition in an Obese World:
European Perspectives*

Hosted by
Federation of European Nutrition Societies (FENS)
and The Nutrition Society

15 - 18 October 2019
Dublin, Ireland

www.fens2019.org

The Nutrition Society are pleased, as hosts, to invite you to the 13th FENS European Nutrition Conference in Dublin, Ireland. The FENS European Nutrition Conference is held once every four years, and is the premier European conference in its field.

The scientific programme will feature:

- » the best international speakers covering the spectrum of nutritional science
- » oral and poster presentations
- » scientific workshops
- » industry symposia
- » satellite symposia
- » panel debates

Strands

- STRAND A:** Genetic, molecular, cellular
- STRAND B:** Metabolism, physiology
- STRAND C:** Epidemiology, population
- STRAND D:** Policy, practice, risk assessment, behaviour

Themes

- THEME 1:** Determinants and drivers across the lifecycle
- THEME 2:** Assessment and novel technologies
- THEME 3:** Current metabolic perspectives
- THEME 4:** The food environment
- THEME 5:** Hot topics/emerging issues

Call for abstracts

Submit your work for the opportunity to present to a European audience during the conference, and have your abstract published in the *Proceedings of the Nutrition Society* (PNS).

Abstract submission deadline: 5 April 2019

Confirmed Plenary Speakers

Plenary 1: Dr Joao Breda, World Health Organisation

Title: Drivers across the lifecycle of malnutrition in an obese world - European perspectives

Plenary 2: Professor Arne Asturp, University of Copenhagen, Denmark

Title: Personalised dietary management of obesity based on biomarkers of glucose metabolism and microbiota

Plenary 3: Professor Ellen Blaak, Maastricht University, Netherlands

Title: Current metabolic perspectives on malnutrition in obesity

Plenary 4: Professor Lauren Lissner, University of Gothenburg, Sweden

Title: Food environment: insights on lessons learned and future challenges

Plenary 5: Professor Christian Wolfrum, ETH Zürich

Title: Epigenetic reprogramming regulating adipose tissue plasticity and function

REGISTRATION IS OPEN

Super Early bird deadline: 8 May 2019

Dublin is one of Europe's great cities with a reputation for hospitality and for ensuring a fabulous welcome. Its cultural pedigree is renowned, with the famous Book of Kells in Trinity College, vibrant traditional music scene

and status as UNESCO City of Literature. There will be plenty to keep you entertained outside of the scientific sessions and formal conference events.

The Society are delighted to be hosting the

conference dinner at Taylors Three Rock, with traditional Irish dancing, music and craic.

Join us in Dublin for the 13th European Nutrition Conference and enjoy true Irish hospitality.
